MUSTARD PLASTERS!

Musterole Works Easier, Quicker and Without the Blister

There's no sense in mixing a mess of mustard, flour and water when you can easily relieve pain, soreness or stiffness with a little clean, white Musterole. Musterole is made of pure oil of mustard and other helpful ingredients, combined in the form of a pleasant white ointment. It takes the place of out-of-date mustard plasters, and will not blister. Musterole usually gives prompt relief from sore throat, bronchitis, tonsilits, croup, stiff neck, asthma, neuralgia, head-ache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, celds of the chest (it often prevents pneumonia).

"Yes," answered Facle Wiggily. "Ill bring it to you are now as I can."

Along hopped the rabbit gentleman, over the fields and through the woods. There was some snow under the trees, but he did not mind this as he had on his rubber boots and his fur coat.

Pretty soon he came to the sait store, where he hought a bog for Nurse Jane Funzy Wurzy, singing it over his shoolder has no did the miller who hyed on the River Dee.

Then Uncle Wiggily, hopping into his hoflow stamp bungalow, aprinkled on the loas some sait from the bag. The log stopped blazing and there was a new kind of smoke coming from the hot sait, and this smoke, going up the chimney, put out the fire in it.

Then Uncle Wiggily was gind he had come home with the sait instead of going first to Grandpa Goosey Gender's, or otherwise the hollow stump bungalow might have burned down. And the bunny uncle said he was sorry he had been a bit cross to Nurse Jane.
